Talk to your letting agent to find out how

RENT RECOVERY PLUS

can offer you comprehensive protection.

As our landlord you can have your interest noted in our Rent Recovery Plus policy. You don't have any rights under the policy, but if your tenant does fall into arrears and your agent makes a successful claim under the policy, any sums recovered that are due will be passed to you. HomeLet will write to you directly to confirm your interest in this once a policy has been arranged.
